

H.O.P.C.A. Meeting Minutes

August 8th, 2017

Meeting called to order at 6:30 PM.

Expect changes on Saunders Road in the next 12 months. A grant has been approved, which will affect the entire, community eventually. BGE will be switching the street lights to LED and possibly remove poles.

The Saunders Park steps are decaying due to erosion. They may be switched over to concrete.

There will be a clean-up at the end of Preston.

There was a good turnout for the July 4th gathering, and there may be a Fall Fling of some sort.

HOPCA has cut grass on many vacant properties before it becomes a county issue.

The donation boxes near Bruster's have been removed thanks to the HOPCA, resulting in less litter in the parking lots.

Resident concerns were taken down by the President.

A grant is being written for the 33 acre Guildford Road park, which is very difficult to monitor and to keep safe.

Meeting ended at 7:05 PM.
