

Instructions for Santa Tracking

If you are using a smart phone go to your app store and download the Linxup Mobile App. Follow the instructions for your unit.

From all other computers, laptops and devices, go to the web page www.linxup.com

At the upper right corner click on customer login

Drop down box for email name and password will appear

Email Name: Harundaleoakwood@outlook.com

Password: 1474Hop (case sensitive) then click on sign in.

You will see a map area to the left with Harundale express in it. Click and it will show you the movement as Santa makes his way through the community.

Tracking will start after we get started (around 4:30)
